BEECH ACRES PARTNERS WITH HARVEST CONSULTING

Cincinnati, Ohio (April XX, 2006) – Beech Acres Parenting Center has appointed Harvest Consulting LLC as its pro-bono agency of record for select marketing projects in the areas of branding, marketing research, and public relations.

“Beech Acres is pleased that Harvest Consulting will be providing us with marketing expertise,” said Jim Mason, CEO of Beech Acres Parenting Center. “We look forward to a long, mutually beneficial relationship and partnership.”

About Beech Acres

With a mission of strengthening families for children, Beech Acres Parenting Center’s multi-faceted programs and services are based on the guiding principle that parents, including any adult filling that role in a child’s life, want the best for their children and need support and guidance. For more information about the programs and services offered by Beech Acres Parenting Center, please call 513-231-6630 or www.beechacres.org for more information.

Beech Acres Parenting Center in partnership with Harvest Consulting is developing marketing strategies to help define and benchmark the introduction of their new name and services. Now organized with two lines of business to attract a variety of parents throughout the Greater Cincinnati Area, the Beech Acres Parenting Center is poised to help all with a need or just a simple question.

About Harvest Consulting

Since 1981, manufacturing, health care, consumer packaged goods companies have utilized Harvest Consulting LLC’s experience in brand management, marketing communications, sales, and business-to-business services management. Harvest Consulting LLC increases sales and market share by helping customers concentrate their internal marketing resources and efforts on only the most important products and services, building marketing efficiencies, and developing focused marketing strategy.
